Dear Parent,

The Collegiate is making its best efforts to educate and involve students for their overall development. An effort to correct students written work a policy has been made ready which will be shared shortly. The management has been considerate and have granted relief to the deserving Parents. Inspite of its best efforts there are Parents who are fee defaulters from April onwards. With empathy the Collegiate has provided online education and have involved in various activities. Kindly note The Collegiate will close all enrolments on 14th August'20 so this information should be considered as most urgent and important and once again it is urged from all those parents who have not deposited full or partial fee to clear all such dues by 14th August '20.

From 16th August'20 students who are registered and admitted on the Collegiate rolls will be considered students for the academic session 2020-2021. To continue to avail online studies your urgent attention is solicited by 14th August '20.

Regards,
