

LIBRARY & COUNSELLING

The Collegiate is introducing the Online Library class for the students for Nursery to class XII to utilise their time more effectively and enhance the reading habits.

Reading always helps in improving the reader's imagination and creativity. It enriches the vocabulary, which help in making expression better, improve writing skills and also works as stress buster.

The students will also be introduced to the counselling session, which creates a great degree of self-awareness, understanding and reflects in one's personality. It also helps in managing emotions, including anger, depression, anxiety, builds confidence, improving the decisions making skills.

The classes will commence from 8th June 2020 as per the sechedule mentioned below:-
