Holidays are the best time of the year,  
Time to shout, clap and cheer,  
Jump about and have lots of fun,  
Enjoy treats in tons & tons.  
Plan a trip, go around & enforce,  
Be it mountains or the sea shore,  
Be helpful and nice to all, each day,  
You all are LPCians winner all the day.

Dear Parents,  
Warm Greetings!

For the past two months we enjoyed taking care of your precious ward. So now, here are few suggestions you may keep in mind.

1. Spend quality time with your child and share stories about your childhood with them.
2. Help your children to become independent by giving them responsibilities. Involve them in small household activities.
3. Converse with your children in English & encourage your children to read books to enhance their language skills.
4. Encourage your child to plant a seed & see it grow.
5. Cultivate sportsmanship by encouraging your children to play various indoor & outdoor games. Remember that summer vacation is the time to relax and enjoy.

So spend these holidays creating a nurturing and stimulating environment filled with fun, frolic, learning and education.
